(UK PINT)

9oz 7.<sup>20</sup>  
(UK ½ PINT)

6 Flight 20.<sup>75</sup>  
Taster

**Whale of a Wheat** (4.3% abv): A typical German hefeweizen, light body, clean zesty finish, slight banana and clove aroma, served with a lemon wedge upon request.

**St. David's Lager** (5.1% abv): A Czech style pilsner, straw-colored, light-bodied with a smooth lager finish. brewed using the finest European style hops.

**Somers Amber Ale** (5.5% abv): The flagship ale of Dockyard Brewing. medium body, well-balanced between malt and hops, malty sweet caramel aroma, smooth lingering malt finish with a hop tang.

**Trunk Island Pale Ale** (6.9% abv): California west coast style IPA, with a strong citrus & pine hop aroma, light bodied with a hint of toffee, bold hop flavor with a dry finish.

**Black Anchor Porter** (6.3% abv): English style porter, medium bodied with a roasted malt aroma, flavors of bitter chocolate, coffee and raisins with a lingering slightly dry finish.

**Bermuda Triangle Stout** (6.3% abv): Finished with rocket science nitrogen (from a NASA designed generator that injects just prior to pouring), our stout is surprisingly medium-light bodied with a creamy texture and dark, slightly bitter chocolate flavours.

**Mystery Brew** (abv variable): Life is much more fun with a few mysteries! And when in the Bermuda Triangle...

# Frog's Showcase Cocktails

Min 2oz pour **14.95**

**Grango:** Frog Grog rum, Bacardi Spice, Bermuda Gold loquat liqueur, sours, splash sprite

**Mikey's Bermuda Swizzle:** Best in Bermuda and we have the trophy to prove it!

**Bermuda Hurricane:** Frog Grog rum, Bacardi Superior, lime juice, orange juice, passion fruit puree, simple syrup, grenadine

# Draught Wines by the Glass

Region specific wines powered by our NASA designed nitrogen generator to preserve freshness. Nitrogen is inert, preserves flavor and doesn't allow wine to oxidize. Cold cellared.
